Introduction to the new Diocesan Marriage Conference (formerly Marriage Preparation Program)

Beginning in March 2016, the Diocese of Bridgeport is excited to announce and launch the new Diocesan Marriage Conference, a monthly Marriage Preparation program using the materials of the “Unveiled” program (based out of the Diocese of Richmond). The Diocesan Marriage Conference is designed to be an engaging, enriching, and beautiful presentation of the teachings of our faith.

Our one-day Marriage Conference, offered monthly at the Catholic Center (238 Jewett Avenue, Bridgeport, CT 06606) is a full-day of formation, dialogue among the couple, and reflection. The content presented in the Unveiled program is relevant (being created in 2015), aesthetically pleasing, solid on the tenets of our faith, and captivating. The day will also include a bag of supplemental conference materials for the couple, breakfast, lunch, dinner, and the Vigil Mass.

The new Marriage Conference is designed to share in Christ’s vision for married love including the theology of marriage, communication, intimacy, and married spirituality. At the end of the Conference, couples will be enabled to understand the fundamental components of the human and spiritual elements of sacramental marriage and be empowered to live out that vision in the world.

All Marriage Conferences are offered on the dates listed below. The scheduled length of Conference attendance is from **8:00am to 8:00pm**. Please plan accordingly
