New Fairfield, CT 06812

Hello Everyone,

I am pleased to share that our meeting with the Sherman Wetlands Commission on November 14th went very well to settle the final piece necessary for our building permit application and our demolition was approved to move forward by the Planning and Zoning chair. Per state law, we are required to wait two weeks from the decision of the committee to begin the demolition. As such, the date with the company has been set for November 29th.

We are moving forward in our project and as a community. I will keep you posted with more updates as the information become available. Please look to both the website and Flocknote messages for any updates that are published.

May God bless you all with a very happy and healthy Thanksgiving this week. Please know of our prayers for all of our parishioners and their families.

Sincerely,

Rev. Robert L. Wolfe

Pastor
